

Three stages of Islamic takeover:

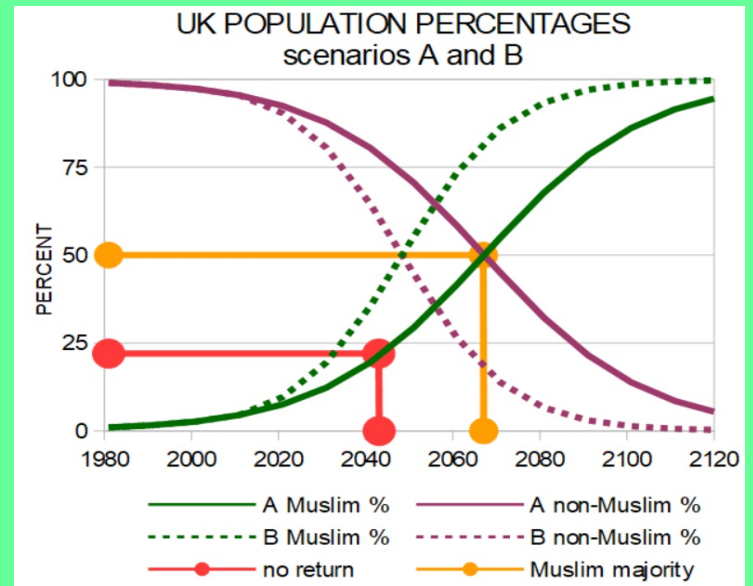

Stage 1: Islam is weak, and pretends to be tolerant and peaceful.
Stage 2: Defensive Jihad. It claims to be oppressed, so retaliates.
Stage 3: Offensive Jihad. Attacks non-believers. Gains control.

Demographics are worse than terrorism:

UK point of no return expected in the decade 2030 to 2040.

After this a free democratic society will not be possible.

We must act now if we want to keep our freedoms and rights.

HELLISH 2050

We, in Britain, may only have until the decade 2030 to 2040 before we reach the 'point of no return'. Thereafter, current demographic trajectories indicate that the process of Islamisation in this country will become irreversible. If Britain becomes 'Islamised' whilst retaining nuclear weapons, we shall constitute a major threat to other nations.

There is a binary choice to be made: either we avoid Islamisation, or we must remove our military capability entirely. There is no obvious third option.
